## Mission Statement:

"ECHO (Encountering Christ in Others) of Cape Cod is a Catholic, community-based experience initiated by a weekend retreat, focused on the living presence of Jesus Christ encountered in others and self. ### Fall Into Me by Sugarland

*When the weight of the world  
 Breaks down so strong it  
 Leaves footprints on the street  
 And theres too many miles to face  
 Without a few more hours sleep  
 The storm clouds overhead  
 Won't shed any rain to quench your thirst  
 I wanna be the one you reach for first*

*When your faith is stretched so thin  
 You can see straight through your soul  
 And you can't find a nickel to buy a smile  
 'Cause your pockets all got holes  
 You wanna shut the door and  
 Hide before the day can get much worse  
 I wanna be the one you reach for first*

**Chorus:**

*Fall into me  
 My arms are opened wide  
 And you don't have to say a word  
 Cause I already see  
 That it's hard  
 And your scared  
 And your tired  
 And it hurts*

*And I wanna be the one you reach for first*

*I wanna be the bottle you've been drinkin' with your eyes  
 Or the road you run away on  
 You've been runnin all your life  
 The third row pew that you last knew  
 As a child in church  
 I wanna be the one your reach for first*

**Chorus**

*Before your turn the key  
 Before you fall asleep  
 Before your drift away  
 To find some demons waiting for you  
 In your dreams  
 Before your arms stretched wide open  
 Before you're reaching for the sky  
 Before you're searching for direction  
 And all the answers to your why's*

**Chorus**
